

Dear Cihan,

We are pleased to welcome you in the Worldline Expert Community!

You are now part of a network of passionate experts within Worldline.

We are pleased to announce that the Experts Validation Body has confirmed you as:

Expert

As such you now have access to a dedicated career path that includes career development and training opportunities. In accordance with your management, you will have dedicated time to develop, market or teach a specific expertise.

You will be able to contribute to strategic business meetings where your expertise can make the difference, participate in some specific seminars and webinars on your area.

In addition, you are now entitled to be officially recognized internally and externally as a Worldline Expert.

You are key to the achievement of Worldline growth ambition, Worldline counts on you to participate and develop within the Expert Community.

We wish you every success, congratulations!

Christophe Duquenne
Chief Technology & Operations Officer, Worldline

Olivier Burger,
Head of Human Resources, Worldline
